

Questionnaire/ Assessment

Data challenge of the Agenda 2030

1. Steering Process 1 – Policy and Institutional Environment

<p>1. Is the achievement of the SDGs a central objective of the National Development Plan /National Sustainability Report (main national development policy document)? (SDGs in the preamble, number of citations in the text ...)</p>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
<p>2. The national SDG priorities are clearly defined (Goals and targets) in the national development plan or similar document</p>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
<p>3. There is a national coordination mechanism in place to steer and/or to report on the nationally adopted SDG priorities</p>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
<p>4. The civil society is included in the national adoption of the SDGs</p>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
<p>5. The private sector is included in the national adoption of the SDGs</p>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
<p>6. There is a national SDG monitoring structure / system in place</p>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
<p>7. Civil society representatives are part of the national SDG monitoring structure / system</p>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No

8. Private sector representatives are part of the national SDG monitoring structure / system	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
9. Are there policies and regulations in place that regulate data collection, data dissemination and use as well as roles and responsibilities within the statistical sector?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
10. Do the designated institutions fulfil their roles and responsibilities with regards to data production, data dissemination & usage?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
11. Are there any SDG focal points in government bodies nominated for the SDG monitoring system?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
12. Are there any (technical) committees been set up to deal with the SDG monitoring system?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
13. Is the civil society involved in the SDG monitoring system?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
14. Is the private sector involved in the SDG monitoring system?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
15. Are there any Work programmes (e.g. calendar of reports) agreed upon for the SDG monitoring system	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No
16. Are any rules and responsibilities (e.g. documentation, reporting and evaluation) agreed upon among the partners involved in the SDG monitoring system?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Only partially	No

Additional Notes/ Information

2. Steering Process 2 – Financing for Development Data

1. A detailed assessment of the resources needed for regularly SDG monitoring has been done

Yes

Only partially

No

2. Adequate resources are allocated to the data production for the SDG indicators (NSI budget, budget for other data producers)

Yes

Only partially

No

3. Adequate resources are allocated to the data dissemination of the SDGs indicators and for information on the SDGs monitoring, analysis and reporting process (NSI budget if responsible for the platform)

Yes

Only partially

No

4. Resources from the private sector and/or the civil society are mobilised to contribute to the SDGs monitoring system

Yes

Only partially

No

5. Funding and/or technical support from external donors has been secured for the SDGs monitoring system

Yes

Only partially

No

Additional Notes/ Information

3. Steering Process 3 – Quality and Standards/ Legal Framework

1. There are government organisations that are applying the EFQM standards (EFQM reports)

Yes

Yes, only a few

No

2. The Statistical Office is applying international standards (e.g.the **Generic Statistical Business Process Model (GSBPM)**) in its operations (NSI technical quality assessment)

Yes

Only partially

No

Additional Notes/ Information

4. Core Process 2 – Coordination

<p>1. Are there any coordination mechanisms explicitly addressed in any (legal) documents covering the national SD monitoring system?</p>	<input type="checkbox"/> Yes	<input type="checkbox"/> Only partially	<input type="checkbox"/> No
<p>2. Which working level is involved in these coordination mechanisms?</p>	<input type="checkbox"/> Both technical and high-level staff	<input type="checkbox"/> Only high-level staff	<input type="checkbox"/> Only technical staff
<p>3. Regularity of coordination on the production/dissemination of data for SDG indicators within the Statistical Office (among sectors)</p>	<input type="checkbox"/> Once a quarter	<input type="checkbox"/> Twice a year	<input type="checkbox"/> Once a year <input type="checkbox"/> Not at all
<p>4. Regularity of the coordination on the production/dissemination of data for SDG indicators within the Statistical System (all data producers and users)</p>	<input type="checkbox"/> Once a quarter	<input type="checkbox"/> Twice a year	<input type="checkbox"/> Once a year <input type="checkbox"/> Not at all
<p>5. Are local entities (state, municipality, city) involved in the SDG monitoring system?</p>	<input type="checkbox"/> Yes	<input type="checkbox"/> Only partially	<input type="checkbox"/> No
<p>6. Is there any regional coordination via a regional body (Union, Commission, etc.) or directly with neighbouring countries?</p>	<input type="checkbox"/> Yes	<input type="checkbox"/> Only partially	<input type="checkbox"/> No

Additional Notes/ Information

5. Core Process 3 – Data production and dissemination

1. Is there a national platform established and regularly maintained for the dissemination of the national SDG indicators?

Yes,
established
and
maintained

Only
partially

No

2. What is the proportion of Tier I SDG indicators with regular data production (at least five years old) ?

More than
50%

Between 25
and 50%

Less than
25%

3. Has a data gap assessment been made?

Assessment
made and
results
shared/
discussed

Assessment
made but
only
partially

No

4. Are methodologies and meta-data accessible for the users on the SDG platform or on any other consolidated platform? (NSI reports and national platform)

Yes

Only
partially

No

Additional Notes/ Information

6. Core Process 4 – Data utilisation and analysis

- | | | | |
|--|--------------------------|--------------------------|--------------------------|
| 1. Is there a regular annual report on the SDGs prepared by the Government? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| | Yes,
annually | Irregular
reporting | No |
| 2. Is this report discussed in the media (radio, tv, newspaper, social media)? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| | At many
occasions | Only at few
occasions | No |
| 3. Is there any annual communication of the Government to the Parliament on the SDGs and the progress made in their achievements? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| | Yes | No | |
| 4. Are there any alternative national reports prepared by non-government organisations on the progress made in the achievements of the SDGs? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| | Yes | No | |
| 5. Are there any research papers on the SDGs published by academics or research centres? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| | Yes | No | |
| 6. Are there any SDG data visualization products such as infographics or other visual animations? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| | A lot | Very few | No |
| 7. There is an on-line portal on the NSI's website to post comments, questions and remarks on the SDG data and methods. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

Yes, with
interactive
exchange

Yes, but only for
posting
comments

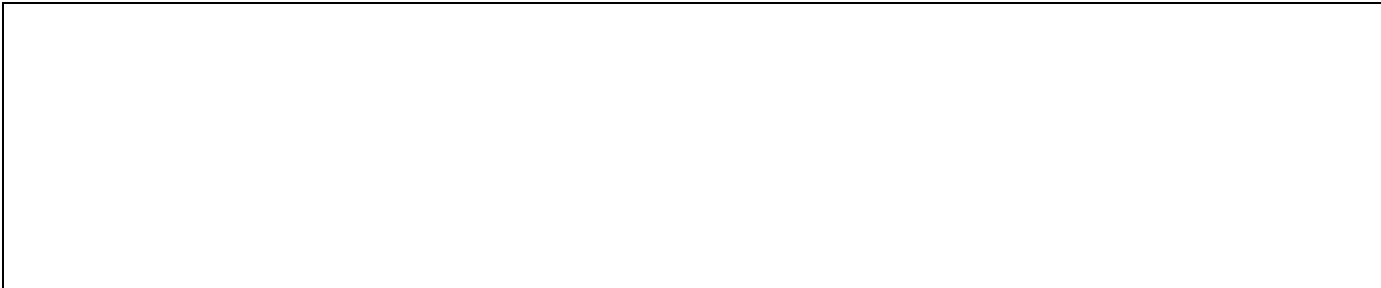

No

Additional Notes/ Information

7. Supporting Process 1 – Voluntary National Review (VNR)

1. Has a VNR already been prepared?	<input type="checkbox"/>		<input type="checkbox"/>
	Yes		No
2. Was there a statistical annex to the VNR?	<input type="checkbox"/>		<input type="checkbox"/>
	Yes		No
3. Do the national SDG indicators comply with the global indicator framework?	<input type="checkbox"/>		<input type="checkbox"/>
	Yes, full compliance		Yes, partially
4. Are thematic SDG reports produced? (By Government or any other stakeholder)	<input type="checkbox"/>		<input type="checkbox"/>
	Yes		No
5. Was the VNR preparatory process inclusive by involving other stakeholders?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Partially	No
6. Was there any information provided after the HLPF on what the country has reported?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Yes	Partially	No

Additional Notes/ Information

8. Supporting Process 2 – Capacity development

1. Were capacity development needs and answers included into the National Development Plan? (National SDG Plan)

Yes, in detail

Only partially

No

2. Did each government organisation involved in the national SDG monitoring system assess its needs for capacity development? (National SDG report)

All organisations

Only some organisations

No

3. Did each government organisation involved in the national SDG monitoring system prepare a plan for capacity development? (National SDG report)

All organisations

Only some organisations

No

4. Did each government organisation involved in the national SDG monitoring system implement their respective plans for capacity development? (National SDG report)

All organisations

Only some organisations

No

5. Training and train-the-trainer courses are delivered to all stakeholders involved in the SDG monitoring process on key issues, such as leadership and management, coordination- and information management, Quality and impact assessment

Yes, in all of these key

Only on some of them

None of them

issues

6. Training and train-the-trainer courses are delivered to all stakeholders involved in the SDG monitoring process on key issues such as use of administrative data, use of open/big data, data bases, data archiving and storage, data mining, data validation, data security, data dissemination

Yes, in all of these key issues

Only on some of them

None of them

7. Training and train-the-trainer courses are delivered to all stakeholders involved in the SDG monitoring process on key issues such as data transfer, data release, data visualisation, data analysis, conduct of multi-disciplinary research work

Yes, in all of these key issues

Only on some of them

None of them

Additional Notes/ Information

9. Supporting Process 3 – Digitalisation

1. Is there a national plan for developing digital capacities?

Yes, a comprehensive plan

Issue only partially addressed

No

2. The national SDG monitoring system is

managed and updated through a collaborative and inclusive digital system/approach (SDG platform)

Yes, most of the time

Only occasionally

No

3. The national SDG monitoring system uses new data and new technologies

Yes, most of them

Not all of them

No

Additional Notes/ Information

10. Supporting Process 4 – Communication and Awareness Raising

1. Is there a national communication plan regarding the SDGs, their integration in the National development plan and their monitoring?

Yes, a comprehensive plan

Yes, but only partial

No

2. Are there any subnational (state/County/city) communication plans regarding the SDGs and their monitoring?

Most of them

Only a few

None of them

3. Is there any specific coordination mechanism with media to discuss the development of the SDG monitoring system and the results achieved?

Organised and
regular
contacts

Irregular
contacts

No
